Hafele Project
The Ritz-Carlton, Bali

360°

COMPREHENSIVE PROJECT SOLUTIONS.

Experience the 360° comprehensive project solutions from Häfele on the basis of eight different building projects with concrete example solutions. In each case, the starting point is a specific customer requirement, which has been planned, solved and implemented in accordance with the functional, economic and design requirements. Manufacturer-independent advice about architectural hardware and furniture fittings is a central pillar when doing this.

Employees in 2015 more than 7000

HISTORY OF

HÄFELE Introduction and History

Häfele, an international company providing hardware and fitting systems and electronic locking systems, has a long and rich history that began in 1923. Today customers from 150 countries rely on Häfele's expertise and performance based on perfect quality from German.

HÄFELE

2023

THE FIRST 100 YEARS

For the 100-year anniversary of Häfele, We want to express two things: The pride successful path that the company has taken up to today, and optimism that the path to the future will be just as successful because we have the courage to continuously reinvent ourselves.

TURNING CHALLENGES INTO SOLUTIONS.

Häfele. Your partner right from the start.

SYSTEM EXPERTISE PROJECTS.

In anything to do with the development of projects, Häfele assists you with a unique service, whose mainstay is manufacturer-independent advice. Many employees in the project area advise planners, architects and builders in the implementation of their ideas. The basis for this is industrial expertise.

The company founded in 1923 by Adolf Häfele is now one of the leading international specialists for furniture fittings and architectural hardware as well as electronic access control systems. More than 6,600 employees look after about 160,000 customers all over the world. The proximity to the market and the customers was and still is an innovative driver for Häfele.
